Parent Feedback

“My son was insecure and not social at all. Because of the help from this program, he began to excel in school and became comfortable around peers. He was not afraid to reach out and learn in all areas of school and athletic activities.”

“As a grandmother on a fixed income, this scholarship gives him the opportunity to play with children his own age, develops his socialization and builds his self-esteem.”

“This program has helped my child be more confident, outgoing and has helped develop his listening and directional skills.”

“This scholarship has impacted our lives. I know my daughter can cheer and have fun while I’m not worrying about the bill I have to pay.”

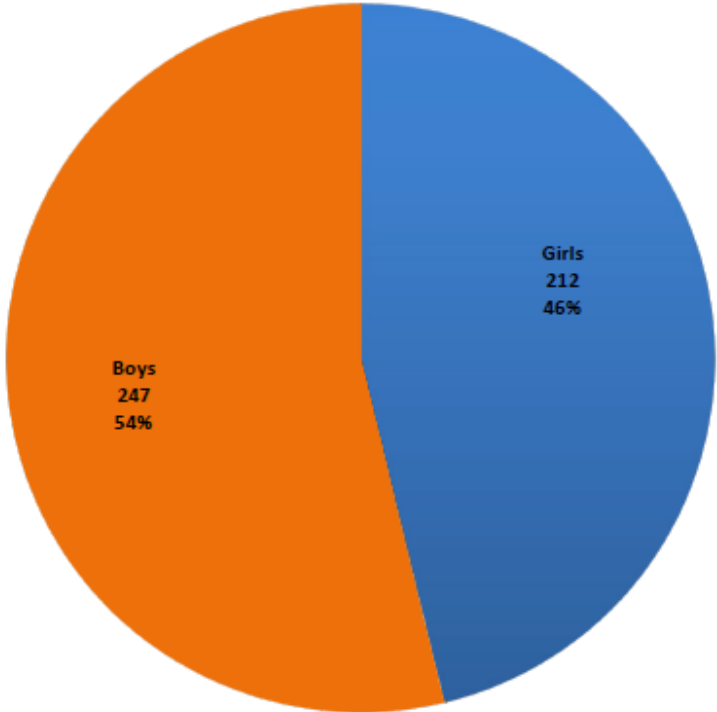

“My son is autistic and playing sports has helped him develop his social skills. Because of this scholarship, I am able to have both of my children in sports. They are both doing better in school.”

“This scholarship has helped my child open her eyes to what she can do and the abilities she has.”

“My son has gained confidence through playing sports and is now teaching his younger brother to play.”
