# ABOUT THE UNITY CUP

Lancaster, PA is home to refugees & other immigrants from across the globe. A city with a long history of welcome, the BBC recognized Lancaster as “America’s Refugee Capital” in 2017, resettling “20 times more refugees per capita than the rest of the United States.

Lancaster Rec is proud to present the 4th Annual Lancaster Unity Cup to bring refugees and immigrants together in a World-Cup style soccer tournament, kicking off the day after World Refugee Day. Games will be played in the beautiful Community Park in Lancaster Township.

Over the course of the 8-week series beginning in June, Lancaster residents from around the world will join together in community building and leadership development - all through soccer. As a global sport, soccer allows players to get to know new neighbors, hone their leadership skills, and find joy and peace in a new home.
