About Lancaster Rec

OUR MISSION IS
TO PROVIDE
QUALITY AND
AFFORDABLE
RECREATION
AND LEARNING
OPPORTUNITIES
TO LANCASTER
RESIDENTS.

The Lancaster Recreation Commission (Lancaster Rec) is a 501(c) 3 non-profit agency formed by a partnership agreement between the City of Lancaster, School District of Lancaster and Lancaster Township. Our mission is to provide quality and affordable recreation and learning opportunities to Lancaster residents. We strive to improve the quality of life for every member of our community. Our philosophy is to get residents active and healthy by engaging in a range of recreational activities, events and programs.

Operating since 1909, we provide neighborhood-based programs for all ages with an emphasis on affordable programs for children at schools, parks, playgrounds and other indoor and outdoor facilities.

In 2019, the Lancaster Rec Foundation was created to support the Lancaster Rec Commission. The Foundation provides operational support, innovation of programs, and long-term organizational sustainability.

Governed by an 11-member board that represents our partners, Lancaster Rec offers an extensive list of services. Programs include youth and adult instructional sports programs and leagues, fitness and wellness classes, summer playground and day camps, full-day child care for infants through age five, before and after school care, senior centers and community special events. Our target audience are the residents of the City of Lancaster and Lancaster Township, which serves more than 76,000 residents in primarily urban areas.

Introduction

We appreciate your consideration and investment in the children, families and senior citizens we serve. On behalf of our community - thank you for your commitment to bright futures and happy lives.

In the School District of Lancaster, more than 75% of children qualify for free and reduced lunch, showing that children and families in our service area have a financial need. In Lancaster, more than 29% of residents live in poverty, much higher than large cities in Pennsylvania such as Philadelphia or Pittsburgh and at nearly double the rate of the national average. African-American and Hispanic residents have significantly higher poverty rates - 42%.

We know the adverse effects poverty has on children, including higher obesity rates and poor health. With recreation and physical activity programs, we have the opportunity to provide significant impacts on the health and wellness for people in our community. Our childcare and education programs provide foundational education for children to look toward a brighter future and a path out of poverty.

Open Streets Lancaster

Outreach: Open Streets Lancaster is a free community event that takes place each spring. Our event reimagines transportation and community connections throughout the City of Lancaster and attendees are encouraged to walk, bike, blade, and skate.

Presented by Lancaster Rec and held in partnership with Lancaster City and the Lancaster Bikes program, Open Streets Lancaster temporarily transforms Water Street into a paved playground. Pedestrian traffic replaces car traffic and people of all ages, abilities and backgrounds can discover their talents, uncover new interests and improve their general well-being.

The family-friendly event focuses on incorporating healthy choices into your daily routine, celebrating our diverse city, and promoting community engagement. Each year, this event attracts more than 8,000 attendees and engages more than 125 local non-profits and businesses. Facilitation and coordination of Open Streets Lancaster costs more than \$30,000.

By supporting Open Streets Lancaster, you are providing the gift of health and wellness to Lancaster! For more information, please visit: www.lancasterrec.org/openstreets

Lancaster Beer Gardens

Outreach: The Lancaster Beer Gardens, launched June 1, 2022, has brought our community together for a good cause.

Lancaster Beer Gardens have garnered more than 50,000 engagements on social media and attendance of upwards of 250 community residents daily, with weekends seeing more than 2,000 attendees. These traveling beer gardens rotate around our parks, and are family-friendly and pet-friendly. Proceeds of the Lancaster Beer Gardens benefit Lancaster Rec programming, as well as park improvements.

Currently, they are in operation 6-weeks during the spring, summer, and fall seasons. Community feedback has been positive and overall support has been extraordinary.

With a cost of more than \$35,000 to create and operate, your gift would ensure a net positive donation for our agency and offset event costs for our community.

Lancaster Unity Cup

Outreach: Lancaster, PA is home to refugees & other immigrants from across the globe. A city with a long history of welcome, the BBC recognized Lancaster as “America’s Refugee Capital,” in 2017, resettling “20 times more refugees per capita than the rest of the United States.

Lancaster Rec is proud to present the 3rd Annual Lancaster Unity Cup to bring refugees and immigrants together in a World-Cup style soccer tournament, with the championship game being held at the start of Lancaster’s Welcoming Week in September. Games will be played in the beautiful Community Park in Lancaster Township.

Over the course of the 8-week series beginning in July, Lancaster residents from around the world will join together in community building, leadership development, and trauma support - all through soccer. As a global sport, soccer allows players to get to know new neighbors, hone their leadership skills, and find joy and peace in a new home.

At Lancaster Rec, we believe that esports is more than just gaming—it's a gateway to mastering the technology of tomorrow. Our program is purposefully designed around four core skill areas: Tactical, Technical, Theatrical, and 3D Design. Participants will be challenged and supported as they grow, using cutting-edge technology to engage in recreational and competitive environments.

But the experience doesn't stop at gameplay. Players will dive into video recording and editing, broadcasting fundamentals, troubleshooting equipment, branding strategies, communication techniques, and even 3D modeling and printing.

Join us on this exciting journey, where you'll build real-world skills that will not only enhance your game but also set you up for success in the fast-evolving digital world. The future is now—level up with us!

-Sean Kennedy, Director of IT and E-Sports

Youth Sports

Outreach: Our youth sports programs balance fun with valuable instruction. The main focus is on participation and learning, not on competition. We believe in teaching more than sports skills. Good sportsmanship, dedication, and respect are all part of Lancaster Rec's youth sports experience.

Impact and Impressions: By supporting the Lancaster Rec, you can help provide our kids with the proper uniforms and sports equipment they need. Every kid deserves a chance to play a sport they love. You can be the reason!

Youth Sports

Baseball	E-Sports	Soccer
Basketball	Field Hockey	Softball
Cheerleading	Flag Football	Tennis
Dance	Gymnastics	Volleyball

Lancaster Rec has been so important to our family. Both of our kids were part of the before-and-after school program and have played basketball, flag football, soccer, and baseball. Through these programs, they have learned respect, honesty, commitment, and the value of hard work. Most importantly, they have felt part of the community they live in.

Jr. Tornado Youth Tackle Football Program

Outreach: Lancaster Rec coordinates the youth tackle football program in the City of Lancaster. This program celebrates more than 100 young football players as they begin their journey as future McCaskey Tornados in the School District of Lancaster. To keep costs affordable for players and families, the cost for registration is a fraction of the overall cost and Lancaster Rec subsidizes these programs for the benefit of the community.

With expensive insurance, equipment costs and game costs, including referees and medical staff support, the program will cost our agency nearly \$30,000 this year to operate. However, the community that develops with youth tackle football - as youth are taught the value of hard work, commitment, confidence and teamwork - is unbreakable. Your gift would support our football program and all of the hard work the players and parents in this community contribute.

Impact and Impressions:

- An invitation to our annual Football Banquet

Summer Success for Pre-K Students

Outreach: With nearly 450 children from ages 2 months of age to 12 years old, our Lancaster Rec childcare programs support working parents by offering a safe, affordable option for childcare. We provide quality care, independently by Keystone STARS, a rating agency that awards the highest honor of 4 STARS to all of our childcare locations.

Our Child Development Center at McCaskey High School, which serves teen parents and the community-at-large during the school year, is a vital part to our community to ensure teen parents are supported through high school and graduate on time. During the summer months, we offer preschool camps to combat 'summer slide' and ensure kindergarten readiness.

Our goal, along with providing affordable care for working parents, is to provide enriching curriculum and lesson plans for growing minds. We annually spend more than \$50,000 on supplies and materials like science kits, building blocks, books, art supplies and other educational materials for children in our care. Your contribution ensures that we are able to provide top quality materials to our students to receive high level of care and enrichment in our programs.

Summer Playgrounds and Wading Pools

Outreach: The Summer Playground and Wading Pool Program is a free, 8-week drop-in program for youth and open to the public. A free, nutritious lunch is served at 11:30 a.m. for all children 18 and under and a daily snack is provided at 3 p.m. Wading pools open at each site at noon so kids can cool off from the summer heat.

The Summer Playgrounds and Wading Pools program attracts upwards of 2,000 attendees and costs more than \$60,000 annually to provide services in six city neighborhoods. In addition to providing a recreation service and free meals for children, our program also offers a great opportunity for teens to gain work experience. Teenagers ages 14 to 16 are hired as Jr. Playground Leaders and receive a stipend for working during the summer and serving as young leaders in their community. Students ages 16 to 18 are hired on as staff and given the opportunity to be a shining example of hard work and community service to their young neighbors.

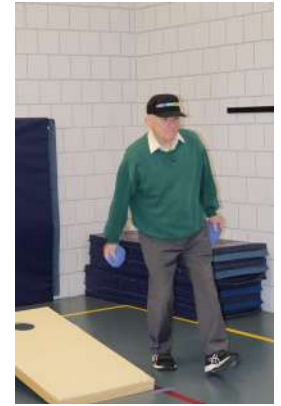

The Summer Playground and Wading Pool Program is a vital neighborhood service to keep kids cool, feed them healthy meals and provide workforce training and experience for young city teens. Your contribution will keep these programs running and offset costs for the program throughout the summer.

Senior Center Sponsorship

Outreach: The Lancaster Rec Senior Center serves as community hubs that provides a wide range of services and activities to support the well-being of those over the age of 60. Our center offers social activities, educational programs, and recreational opportunities to foster social connections and continued learning. They also focus on promoting health and wellness through exercise classes, health screenings, and nutritional support.

We have multiple types of sponsorships, from birthday parties and holiday events, to education and entertainment and everything in between. We work diligently with supporters to ensure their vision is part of our vision.

Impact and Impressions:

At Lancaster Rec, supporting recreational and educational programs for youth is of paramount importance as it creates the foundation **for the future success and well-being** of the Lancaster community.

Our most important functions are the **intangible ones** – family interaction, the friends we make, memories of playing on the playground, being part of a team or learning to swim.

With your help, we can offer young people **opportunities** to develop **essential life skills, foster a love for learning and build strong character**. By engaging in recreational activities and educational initiatives, youth not only stay physically active and mentally stimulated, but they also learn valuable lessons in **teamwork, discipline and problem-solving**.

Your investment in our programs **empowers** the younger generation and equips them with the tools they need to **survive, thrive and contribute to society**. Your support will help to foster responsible, well-rounded adults, ultimately benefiting the **legacy** of Lancaster and its prosperous future.

Our Mission

To provide quality and affordable recreation and learning opportunities to Lancaster residents

Our Vision

A healthy community strengthened and brought together by recreation
